LIBRARY

- 25X1X 1. [] the Moscow Podemnik Plant has a secret 25X1A
department which may be entered only by Soviets bearing a special permit. *
25X1X In the evening hours [] a rotatable iron frame which
25X1X was as high as a house and had a pipe of very large diameter attached to one
side [] believed that these were V-weapon bases.
- 25X1X 2. [] an old German V-weapon base was
located by the side of the assembly hall. From Camp 7453/1, redesignated
25X1 7891/1, [] in the evening hours, saw a lattice frame moving up and down by
the side of the assembly hall. [] this frame was connected with 25X1X
testing activities at the V-weapons launching base. **
3. Traveling cranes, cranes, and parts for railroad turnplates were manufactured
at the Podemnik plant.
- 25X1X 25X1A 25X1A 25X1X
- * [] Comment. For plant location [] 25X1A
** [] Comment. Data on the production in the Podemnik Plant of accessories
used for the launching of large rockets has been reported before. []
Although the present report supports the assumption that such data may be true,
the report is rather vague and is based more on the statements of other [] 25X1X
than on personal observations.
